1.4. Committee 's activities in the remainder of the parliamentary term

Coordinators considered the list of upcoming legislative files.

Decision: Coordinators **decided** to turn the focus towards IMCO core business activities.

1.5. Missions / Delegations

1.5.1. IMCO ad hoc delegation to Singapore (3-7 April 2023)

Decision: Draft programme **endorsed**.

1.5.2. IMCO ad hoc delegation to Japan (15-19 May 2023)

Coordinators took note that all political groups have submitted the names of their participants (EPP: 2, S&D: 2, Renew: 1, Greens: 1, The Left: 1) by the deadline. As the Chair cannot participate in the delegation, a head of delegation needed to be chosen among the participants.

Decision: S&D Coordinator Christel Schaldemose is appointed head of the delegation.

1.5.3. Proposals for IMCO committee missions / ad-hoc-delegations for the second half of 2023

Coordinators considered possible destinations and time slots / turquoise weeks for the second half of 2023.

Decision: Coordinators decided to request authorisation for an **ad-hoc delegation to Washington** as already agreed on 12 September. The proposal for a mission to Portugal is to be considered later, for the first half of 2024.

Destination / Date	Short description
Washington Week 44 (30 Oct-3 Nov)	As the IMCO committee is working on several important pieces of legislation that affect US companies in particular, it is important to allow members to exchange with counterparts in Washington. The aim of the mission should be to assess possibilities of cooperation and cohesiveness as regards laws in place in the digital sphere such as DSA / DMA, but also political advertising and artificial intelligence. In order to allow companies in the EU to scale up and also compete internationally, it is important that, where possible, standards and applicable rules can be aligned between the EU Single Market and the US market.
Week 51 (18-22 Dec)	no mission / delegation.

1.6. Hearings and related activities

1.6.1. State of play of hearings / exchange of views in the first half of 2023

Coordinators considered the upcoming programme of hearings / exchanges of views.

Decision: Coordinators **endorsed** the draft programmes for the following hearings:

- ***Modernising the regulation of online platforms intermediating short-term accommodation rental services*** (April 2023) with some additional suggestions for speakers from civil-society stakeholders, academics, small short-term rental platform.
- ***The state of consumer rights in the EU in times of crisis: how are they enforced and is effective redress available?*** (April 2023), as suggested.

1.6.2. Proposals for IMCO public hearings in the second half of 2023

Coordinators considered possible topics and time slots for hearings for the second half of 2023.

Decisions:

- **Request authorisation** for the **hearings below**.
- **Organise**, during an upcoming Committee meeting, an exchange of views in relation to **TikTok**.

	Title / Date	Short description
1	Toy Safety September 2023	This hearing would provide an opportunity to garner input from and exchange views with experts in relation to the upcoming revision of the Toy Safety Directive. This revision aims to protect children better against risks in toys, particularly from chemicals, and at the same time, to strengthen the Single Market for toys.
2	Late Payments October 2023	As the legislative proposal on the revision of the Late Payments Directive was announced by the Commission for September and there are no slots available during the first half of the year, it is suggested to postpone the related hearing to the second half of 2023.
3	Performance of the Package Travel Directive and broader consumer protection issues in implementation of Passenger Rights November 2023	In light of the Covid-19 pandemic European consumers faced difficulties in particular with regard to travel bookings. As the pandemic abates, and in line with the planned review of the Package Travel Directive, there is an opportunity to consider the fitness for purpose of consumer tools to ensure adequate protection in their travel bookings, with due respect to the competences of other committees.

*In order to allow for a fuller and more constructive negotiation of compromise amendments, the rapporteur would like to extend the timetable for the file. This is necessary in order to ensure that Parliament's negotiating mandate is of the highest possible quality in the time available. Furthermore, the expectation is that June is the earliest possible date by which the Council will have a negotiating position, meaning that there is nothing to be gained by moving more quickly.

- C3.** Commission Implementing Decision of XXX on the **applicability of Article 34** of Directive 2014/25/EU of the European Parliament and of the Council to the **award of contracts to pursue the extraction of crude oil and natural gas in Romania**
