SUGGESTIONS

The Committee on Civil Liberties, Justice and Home Affairs calls on the Committee on Budgetary Control, as the committee responsible, to incorporate the following suggestions in its motion for a resolution:

1. Welcomes the conclusion of the Court of Auditors that the payments as a whole for the year ended 31 December 2010 for administrative and other expenditure of the European Data Protection Supervisor (EDPS) were free from material error and that the supervisory and control systems for administrative and other expenditure were effective in ensuring the regularity of payments;
2. Notes the Court of Auditors' comment on the organisation of an internal competition and the EDPS' reply; reiterates that competitions organised by the European Personnel Selection Office should remain the norm for recruiting staff; calls on the EDPS to strengthen its human resources planning in order to avoid similar situations from arising again;
3. Notes and supports the measures which have been taken for the timely monitoring of documents attesting to EDPS staff's individual circumstances, for the purpose of social benefits;
4. Notes that discharge in respect of the implementation of the budget of EDPS should continue to be based on its performance throughout the year.
