Amendment
(1) Pursuant to Decision 2009/371/JHA and Decision 2009/934/JHA, Europol is to conclude agreements with the third States which have been put on the list determined by Decision 2009/935/JHA Such
agreements have the objective of supporting and strengthening action by the competent authorities of the Member States and their mutual cooperation in preventing and combating organised crime, terrorism and other forms of serious crime affecting two or more Member States, and may concern the exchange of operational, strategic or technical information, including personal data and classified information. Strategic agreements involve the exchange of information excluding personal data, whereas operational agreements involve the exchange of information including personal data. Strategic agreements may be concluded by Europol only after approval by the Council, the latter having previously consulted the Management Board of Europol (‘Management Board’). Operational agreements require, in addition, that the Council obtain, via the Management Board, the opinion of the Joint Supervisory Body of Europol (‘Joint Supervisory Body’), in so far as the agreement concerns the exchange of personal data.
