

ORAL QUESTION WITH DEBATE O-0052/06  
pursuant to Rule 108 of the Rules of Procedure  
by Guido Sacconi, on behalf of the PSE Group  
to the Council

Subject: Sustainable Development

What are the Council's objectives and state of preparations for adoption of a broad-based new Sustainable Development Strategy comprising environmental, social and economic dimensions? How does the Council intend to ensure that the Lisbon Strategy and the Sustainable Development Strategy are properly coordinated with each other, and that more emphasis is given in the future to the qualitative aspect of economic growth?
