Subject: Implementing the EU's anti-corruption package

Parliament welcomes the anti-corruption package adopted by the Commission on 6 June 2011, which includes a Communication on fighting corruption in the EU, a Decision establishing an EU anti-corruption reporting mechanism, a Report on the implementation of Council Framework Decision 2003/568/JHA on combating corruption in the private sector, and a Report on the modalities of EU participation in the Council of Europe Group of States against Corruption (GRECO).

Regarding this anti-corruption package:

1. How will the Commission make sure that Member States implement the measures proposed by the Commission?
2. What mechanisms are envisaged in order to involve Parliament?
