

WRITTEN QUESTION P-2045/00
by Carlos Costa Neves (PPE-DE)
to the Commission

Subject: Revision of POSEIMA

In the light of the preparatory work being undertaken by the Commission's services with a view to the revision of POSEIMA, can the Commission answer the following questions?

- at what stage of the revision process will the Portuguese government and the regional governments of the Azores and Madeira be involved, by way of consultation or participation; or, if this has been done already, at what stage did it take place?
- has provision been made, or will provision be made, for the social partners, notably the farmers' representative organisations, to be involved in the revision process by way of consultation or participation?
- have any of the bodies named in the previous paragraphs submitted specific proposals to the Commission for measures to be launched, amended or repealed?
- when does the Commission intend to conclude the process of revision of POSEIMA?
