

WRITTEN QUESTION P-4176/08
by Carlo Casini (PPE-DE)
to the Commission

Subject: EU funding for the IPPF

Can the Commission specify in detail how much EU funding it has granted in the last five years to the IPPF (International Planned Parenthood Federation)?

In addition, could it indicate the IPPF priority areas to which that funding has been allocated (i.e. the 'five A's: Abortion, Access, Adolescents, Advocacy, and AIDS/HIV)?

Can the Commission say which IPPF-sponsored programmes, projects, and activities have been financed, and to what extent, over the past five years, stating also how the funding breaks down among them?
