

WRITTEN QUESTION P-5218/08
by Christian Rovsing (PPE-DE)
to the Commission

Subject: CO2 savings from holding European Parliament part-sessions in Brussels

1. How much CO2 was saved by the European Parliament not holding its two planned part-sessions in Strasbourg in September 2008?
2. If the two part-sessions in Strasbourg in September 2008 had not been planned at all, how much CO2 would have been saved?

These questions do not take into account the effect of changed flights.
