

WRITTEN QUESTION P-6676/08
by Elspeth Attwooll (ALDE)
to the Commission

Subject: Port Security

What measures if any, in addition to ISPS, does the Commission believe need to be adopted in order fully to implement the Port Security Directive (2005/65/EC)¹?

Further, does the Commission consider that there is any requirement to establish a separate body, encompassing several ports in an area or region, to oversee port security?
