

WRITTEN QUESTION P-0824/09  
by Jim Allister (NI)  
to the Commission

Subject: Victims of crime

Further to the answer to Written Question E-1897/08, has the Commission's study on 'Member States' legislation, national policies, practices and approaches concerning the victims of crime' been completed and published and, in the light thereof, can the Commission comment further on the specific issue raised in my earlier question as to the definition of victim?
