

WRITTEN QUESTION P-3653/09
by Willem Schuth (ALDE)
to the Commission

Subject: National, non-tariff barriers to the intra-Community trade in food products

1. To what extent is the intra-Community trade in food products still being obstructed in the case of food by national, non-tariff barriers?
2. Which products are affected in which Member States?
3. What is the Commission doing to dismantle such non-tariff barriers to trade?
