

**Question for written answer P-001046/2014
to the Council**
Rule 117
Bernd Posselt (PPE)

Subject: Role of the Gülen movement in the Balkans

The Council is conducting negotiations with several Western Balkan countries. Does it know anything about attempts by the Turkish Gülen movement to use networks to establish spheres of influence in that part of the world and in Bosnia and Herzegovina in particular? What role are Islamists playing in that process?
