

**Question for written answer P-003208/2014
to the Commission**
Rule 117
Catherine Stihler (S&D)

Subject: Living wage and public procurement

Can the Commission confirm that living-wage conditions, which guarantee a wage higher than the minimum wage, may be included in the contract performance clauses of a public procurement contract, provided they are not directly or indirectly discriminatory, are indicated in the contract notice or in the contract documents, and are related to the execution of the contract?
