Subject: EU funding scheme disbursements to Germany

With regard to EU funding scheme disbursements:

1. Under the 2007-2013 Multiannual Financial Framework, how much EU funding was earmarked for individual states within Germany for all operational programmes (OP) - the 'Transport infrastructure of the Federal Republic of Germany' OP, regional OP and the 'Cross-border, transnational and interregional cooperation' OP - and what percentage of the available funding did the states take up? Can the Commission provide a breakdown of the figures by state, year and programme?
2. Under the 2014-2020 Multiannual Financial Framework, how much EU funding is earmarked for individual states within Germany for all operational programmes, the Horizon 2020 Programme and the Connecting Europe Facility, and what percentage of the available funding have the states taken up to date? Can the Commission provide a breakdown of the figures by state, year and programme?
