

Question for written answer P-003430/2016
to the Commission
Rule 130
Jane Collins (EFDD)

Subject: Wages

Does the Commission agree with the Chairman of the UK's 'Stronger in' campaign, Lord Stuart Rose, who said that if Britain left the EU then wages would rise?

Does the Commission believe that the UK's higher minimum wage and additional in-work benefits act as a draw to migrant workers from other areas of the EU to come to the UK?
