

**Question for written answer P-000927/2019
to the Commission**
Rule 130
Martina Dlabajová (ALDE)

Subject: Implementing of Article 61 of the Financial Regulation (Conflict of interest) in the Member States

On the basis of the replies received from Member States on implementing the provisions on conflict of interest (Col) of Article 61 of Regulation 2018/1046 of 18 July 2018 (the Financial Regulation), can the Commission explain, in writing and for each Member State, the following:

What kind of internal control systems (including avoidance of Col) have been introduced?

What kind of prevention measures regarding Col have been introduced?

If the existence of Col is revealed, what mitigation measures are applied?
