

**Question for written answer P-002709/2019
to the Commission**
Rule 138
Guido Reil (ID)

Subject: Scientific support funding

1. In the 2014-2019 term, how much did the Commission spend on scientific support and studies in the broad sense (empirical research, expert reports, concomitant research, opinion poll research and consultancies)?
2. Can the Commission say how much individual Commissioners spent on the areas concerned?
