Subject: Judgment of the Court of Justice in Case C 118/17

What is the Commission's position on the judgment of the Court of Justice of the European Union in Case C 118/17 on the failure to uphold enforcement proceedings while judicial proceedings take place, and on the fact that individual Member States, while taking compliance with the EU acquis into consideration, are legislating on the invalidity of loans with a currency clause in Swiss francs on their territories?
