Rule 138

Subject: Veolia / Suez merger

The merger envisaged by Veolia with Suez is likely to lead to the creation of a quasi-monopoly in France’s water, sewage, waste and energy utilities sector.

1. Can the Commission confirm that it will be taking up this case as part of its duty to scrutinise mergers between businesses?

2. Can the Commission confirm that in so doing, it will take the social and environmental impact of this merger into account?
