Subject: Level of EU grant funding for developing the road system in Bulgaria

What amount did the EU award the Republic of Bulgaria in the form of grants for the construction of new roads and motorways and the rehabilitation and upgrading of existing roads and motorways in the period 2007-2020?

For how many kilometres in total of newly constructed and/or rehabilitated or upgraded roads and motorways has the Republic of Bulgaria received EU grant funding for its road system in the period 2007-2020?
