Subject: Disbursement of the Brexit Adjustment Reserve

On 14 March 2022, the Commission approved the disbursement of over EUR 2 billion under the Brexit Adjustment Reserve to a total of 12 Member States. Germany is not among this group. Commission Implementing Decision (EU) 2021/1803 provides for the allocation of a provisional amount of around EUR 647 million to Germany under the Brexit Adjustment Reserve.

1. Has Germany already sent a notification to the Commission pursuant to Article 14(1d) of the Brexit Adjustment Reserve Regulation?
2. If so, when and what was it about?
3. What is the cut-off date by which Member States must notify the Commission of measures eligible for support if they wish to be granted funds available under the Brexit Adjustment Reserve?
