Spain formally submitted the Partnership Agreement on 16 June 2022. The Spanish Partnership Agreement for 2021-2027 covers four funds, the European Regional Development Fund, European Social Fund+, European Maritime, Fisheries and Aquaculture Fund and Just Transition Fund. The overall support provided by these funds amount to EUR 36.7 billion.

The dialogue between the Commission services and Spanish authorities on the Partnership Agreement for 2021-2027 is well advanced, the document is now mature, and all the main necessary elements have been discussed. The Partnership agreement is expected to be formally approved in the second half of 2022.
