

**Priority question for written answer P-000060/2023
to the Commission**

Rule 138

Francisco José Millán Mon (PPE)

Subject: NextGenerationEU funds and Sectoral Conference for the Recovery, Transformation and Resilience

In its answer to my question P-002602/2021, the Commission states:

‘The Recovery and Resilience Facility Regulation recognises that regions and local authorities are important partners for the implementation of reforms and investments. In Spain, these authorities are competent for many policies to which the Plan relates (research, health, education, social policies, better regulation). For the implementation of the plan, Spain has set up a new Sectoral Conference for the Recovery, Transformation and Resilience to coordinate regions, local entities and the central government.’

Is the Commission aware that the Spanish Government has not convened the Sectoral Conference on Recovery, Transformation and Resilience since August 2021?
