

**Priority question for written answer P-001138/2023
to the Commission**

Rule 138

Martin Schirdewan (The Left)

Subject: Authorisation and use of private planes

In the reply to my question E-003584/2022, reference was made to the websites of the individual Members of the Commission, where, as of 2018, and in line with Article 6(2) of Commission Decision C(2018) 700 final, all missions have been published. This does not answer my question on travel routes, as Members' routes are not indicated.

1. On what routes were private planes used by Members of the Commission in 2021 and 2022, and what were the names of the passengers?
2. How often did President von der Leyen authorise the use of private planes in 2021 and 2022 and who authorised President von der Leyen's travel?
3. Commissioner Breton published four trips with a private jet in July 2021. What travel routes did Commissioner Breton take then and who covered the costs of these trips?
