

**Priority question for written answer P-002979/2023
to the Commission**

Rule 138

Bart Groothuis (Renew)

Subject: Cyber attack on ETSI

On 27 September 2023 the European Telecommunications Standards Institute (ETSI) reported that it had suffered a cyberattack.

1. Does the Commission know who was behind the cyberattack or is an investigation ongoing?
2. What does the Commission plan to do in response to this attack?
