Rule 138

Barry Andrews (Renew)

Subject: The Commission's review of funding to Palestine

Following on from Director-General Koopman's very welcome appearance before MEPs on Tuesday 24 October 2023:

1. Does a methodology for the upcoming review of funding for Palestinians exist?
2. If so, what criteria is it based on?
3. Finally, could it be shared with MEPs at the earliest possible stage so as to ensure proper scrutiny?
