Subject: Sanctions against Hamas

Following the abhorrent terrorist attacks by Hamas on Israel on 7 October 2023, the US, the UK and Japan imposed new sanctions against Hamas.

Can the Vice-President of the Commission / High Representative of the Union for Foreign Affairs and Security Policy say whether the ban on direct and indirect (financial) support to Hamas resulting from its inclusion on the EU list of terrorist organisations is being adequately enforced and whether new sanctions against Hamas and associated individuals and entities will be proposed?
