Subject: Full review of EU financial assistance to Palestine

The Commission has carried out a review of its development assistance to Palestine in response to Parliament's resolution of 19 October 2023 entitled 'the despicable terrorist attacks by Hamas against Israel, Israel's right to defend itself in line with humanitarian and international law and the humanitarian situation in Gaza'. In the resolution, Parliament urges the Commission 'to initiate a thorough review of all EU financial assistance to Palestine and the region in order to ensure that no EU funds directly or indirectly finance any terrorist organisation'.

1. When will the Commission review all the other parts of its assistance to Palestine?
2. In the current context, will it propose stricter conditionality?
