Rule 138

**Assita Kanko** (ECR)

Subject: Sanctions against Iran following the missile attack on Israel

Following Iran's missile attack on Israel, does the Vice-President of the Commission / High Representative of the Union for Foreign Affairs and Security Policy intend to propose additional EU sanctions against Iran, for instance a ban on supplying the country with components for building ballistic missiles, which has been discussed in recent months as a possible sanction for Iran's support for Hamas, but which has not yet been agreed by Member States?
