Pervenche Berès (rapporteur) moved an oral amendment to amendment 11, which now read as follows:

- '15. Welcomes the publication of the ECB's first report on financial integration in the euro zone, since this is vital both for putting across information concerning monetary policy and for financial stability; notes that, according to the ECB, financial integration calls for the integration of market infrastructures, in particular settlement-delivery systems; notes the intention of the ECB to create a settlement infrastructure; notes that, until such time as an infrastructure may have been introduced, an ECB governance must be put in place;'

The PSE Group had proposed that § 21 be placed after § 13.
