Requests for split votes

Renew :

§ 39

- First part 'Notes that pilot projects and preparatory actions are new initiatives that might turn into EU funding programmes should they turn out to be successful; underlines that they are an opportunity for Parliament to introduce programmes that would not otherwise have been financed; highlights that the Instrument, when interpreted broadly, theoretically constitutes a legal basis for all initiatives, thus preventing eligibility and making de facto initiatives by Parliament impossible;'
- Second part 'calls on the Commission to present a legislative proposal that enables Parliament to propose pilot projects and preparatory actions on the condition that the proposals are considered useful by the EU delegations and provide additional benefits, as they would not otherwise have been financed in practice;'

ECR:

§ 14

- First part Text as a whole without the words: 'is of the opinion that, without prejudice to unforeseen circumstances, the commitment within the Instrument to dedicate an indicative 10 % of the Instrument's financial envelope to actions supporting the management and governance of migration and forced displacement within the objectives of the Instrument should be respected and that this clause should not be reopened;'
- Second part those words
