**Joint motion for a resolution**

**Paragraph 12**

*Joint motion for a resolution*

12. Recalls that the long-term goal of development cooperation must be to create the conditions for sustainable economic development; therefore stresses the need to identify needs and strategies, to diversify *and prepare for liberalisation* by enhancing production, supply *and* trading capacity *and increasing the LDCs'* ability to attract investment;

*Amendment*

12. Recalls that the long-term goal of development cooperation must be to create the conditions for sustainable economic development *and fair redistribution of wealth*; therefore stresses the need to identify *the LDCs'* needs and strategies, to diversify *trade* by enhancing *fair prices for LDC* production *and to address supply-side constraints to increase the LDCs'* trading capacity *and* ability to attract investment *which respects ILO core labour standards and protection of the environment*;
