EU-Russia summit

Joint motion for a resolution

Paragraph 11

Joint motion for a resolution

11. Expects that the participants in the EU-Russia summit will seek a joint commitment of the EU partners to the highest safety standards, ambitious stress-testing of nuclear power plants and enhanced international cooperation after the experience of the ongoing nuclear crisis at the plant in Fukushima; considers that *this applies especially* to Chernobyl-type nuclear reactors still in use;

Amendment

11. Expects that the participants in the EU-Russia summit will seek a joint commitment of the EU partners to the highest safety standards, ambitious stress-testing of nuclear power plants and enhanced international cooperation after the experience of the ongoing nuclear crisis at the plant in Fukushima; considers that *an immediate shutdown should apply* to Chernobyl-type nuclear reactors still in use;
