## Amendment 2

**Esther Herranz García, Daniel Caspary**  
on behalf of the PPE Group

### Joint motion for a resolution

**PPE, S&D, ALDE, ECR**

Agreement between the EU and Morocco concerning reciprocal liberalisation measures on agricultural products and fishery products

### Joint motion for a resolution

#### Paragraph 7

#### *Joint motion for a resolution*

7. Is concerned at the constant complaints from European industry groups alleging fraud in the entry-price system, and asks for guarantees that the increased tariff quotas under the agreement will be properly regulated by the EU and that there will be no misinterpretation of the rules governing the implementation of the entry-price mechanism; ***points out*** that ***no formal complaints*** have ***been*** made to OLAF ***since 2005***; in that connection, notes the proposals to bring the rules governing implementation of the entry-price system into line with the Community Customs Code as part of the latest reform of the common agricultural policy; considers that this must be accompanied by changes to the implementing regulation on the Common Organisation of Agricultural Markets to introduce effective control measures;

#### *Amendment*

7. Is concerned at the constant complaints from European industry groups alleging fraud in the entry-price system, and asks for guarantees that the increased tariff quotas under the agreement will be properly regulated by the EU and that there will be no misinterpretation of the rules governing the implementation of the entry-price mechanism; ***emphasises*** that ***European operators*** have made ***complaints*** to OLAF ***and to Parliament's Committee on Petitions and that that committee has asked the Commission to change the entry-price system in order to put a stop to fraud***; in that connection, notes the proposals to bring the rules governing implementation of the entry-price system into line with the Community Customs Code as part of the latest reform of the common agricultural policy; considers that this must be accompanied by changes to the implementing regulation on the Common Organisation of Agricultural Markets to introduce effective control measures;
