Paragraph 26

Joint motion for a resolution

26. Stresses the importance of the various climate measures and legislation adopted in different policy domains, but warns that a scattered approach might lead to inconsistencies and not to the EU achieving a net-zero greenhouse gas economy by 2050; believes that an overarching approach ***needs to be taken***;

Amendment

26. Stresses the importance of the various climate measures and legislation adopted in different policy domains, but warns that a scattered approach might lead to inconsistencies and not to the EU achieving a net-zero greenhouse gas economy by 2050; believes that an overarching approach ***in the form of a European climate law will be necessary, and asks the Commission to look into that without delay***;
