#### **Paragraph 10**

##### *Joint motion for a resolution*

10. Calls for *the* immediate **creation of an EU Child Protection Package** to protect and assist children and young people fleeing the war in Ukraine, which would entail safe passage, protection from violence, abuse, exploitation and trafficking, as well as emergency relief, family reunion efforts and long-term rehabilitation support;

##### *Amendment*

10. Calls for immediate **additional actions** to protect and assist **Ukrainians, in particular** children and young people fleeing the war in Ukraine, **including those deported earlier who then tried to escape from Russia**, which would entail safe passage, protection from violence, abuse, exploitation and trafficking, as well as emergency relief, family reunion efforts and long-term rehabilitation support; **underlines that these actions should not be limited only to the countries bordering Ukraine and the Russian Federation, and that they require solidarity and the involvement of the broader international community;**

### **Joint motion for a resolution**

**PPE, S&D, Renew, Verts/ALE, ECR**

Human rights violations in the context of the forced deportation of Ukrainian civilians to and the forced adoption of Ukrainian children in Russia

### **Joint motion for a resolution**

#### **Paragraph 21**

#### *Joint motion for a resolution*

21. Notes strong historical parallels between Russia's crimes in Ukraine and Soviet crimes across the Soviet-occupied territories; recognises the mass Soviet deportations, ordered, planned and executed by the Soviet communist regime and the entire Gulag system as crimes against humanity; emphasises the importance of remembrance, historical research and education about the totalitarian past in order to strengthen civic awareness and build resilience to disinformation; calls for a thorough historical and legal evaluation and a transparent public debate about Soviet crimes, most importantly in Russia itself, in order to render impossible the repetition of similar crimes in the future;
