## ANNEX

### **Joint statement of the European Parliament and of the Council on solicitation of children for sexual purposes**

Having regard to the fact that 'real-life' solicitation of children for sexual purposes (off-line grooming) means intentional manipulation of a child under the age of sexual consent by means of speech, writing, audio-visual material or by similar presentations, to meet him or her for the purpose of committing any of the offences referred to in Article 3(4) and Article 5(6) of the Directive on combating the sexual abuse and sexual exploitation of children and child pornography,

having regard to the fact that 'real-life' solicitation of children for sexual purposes is already covered by the national law of Member States in different forms, as attempt, a preparatory offence or a particular form of sexual abuse;

the European Parliament and the Council call on the Member States to check carefully their criminal law definitions as regards the criminalisation of 'real-life' solicitation of children for sexual purposes, and to improve and correct their criminal law, if necessary, as regards any legal lacunae that might still exist in that regard.
