### **3. European Parliament resolution of 26 March 2019 with observations forming an integral part of the decision on discharge in respect of the implementation of the budget of Eurojust for the financial year 2017 (2018/2186(DEC))**

*The European Parliament,*

- having regard to its decision on discharge in respect of the implementation of the budget of Eurojust for the financial year 2017,
  - having regard to Rule 94 of and Annex IV to its Rules of Procedure,
  - having regard to the report of the Committee on Budgetary Control and the opinion of the Committee on Civil Liberties, Justice and Home Affairs (A8-0155/2019),
- A. whereas, according to its statement of revenue and expenditure<sup>1</sup>, the final budget of Eurojust for the financial year 2017 was EUR 48 689 237, representing an increase of 11,83 % compared to 2016; whereas the budget increase relates mainly to transition of Eurojust to its new premises; whereas the entire budget of Eurojust derives from the Union budget;
- B. whereas the Court of Auditors (the ‘Court’), in its report on the annual accounts of the Eurojust for the financial year 2017 (the ‘Court’s report’), states that it has obtained reasonable assurances that Eurojust’s annual accounts are reliable and that the underlying transactions are legal and regular;

#### ***Budget and financial management***

1. Notes with satisfaction that the budget monitoring efforts during the financial year 2017 resulted in a budget implementation rate of 99,97 %, representing a slight increase of 0,08 % compared to 2016 and including EUR 11 130 000 that was ring-fenced for the new building; notes that the payment appropriations execution rate was 83,95 %, representing an increase of 3,53 % compared to 2016;
2. Welcomes the lack of remarks of the Court regarding the execution of the 2017 budget of Eurojust; welcomes especially that most of the recommendations issued by the Court for previous years have been closed;

#### ***Cancellation of carry-overs***

3. Notes that the cancellations of carry-overs from 2016 to 2017 amounted to EUR 234 228, representing 2,96 % of the total amount carried over, showing a decrease of 2,64 % compared to 2016;
4. Highlights, in particular, that as from 2017 the Court does no longer report excessive carry-overs of commitment appropriations from the previous year (2016) to the current year (2017) for Title II (expenditure for support activities);

#### ***Performance***

5. Notes with satisfaction that Eurojust uses certain quantitative and qualitative key performance indicators to measure the achievement of its objectives for its annual

activities including impact, outcome and technical and operational indicators to improve its budget management; acknowledges Eurojust's efforts to enhance its performance evaluation framework to provide more meaningful information that would better indicate the achievement of its strategic objectives and assess the added value provided by its activities;

6. Notes that Eurojust implemented an in-depth reorganisation of its administration, with more resources being devoted to reinforcing support to operational work, which has created synergies and efficiency gains; notes that these gains were exemplified by the high rate of budget and payment execution;
7. Notes with satisfaction that in 2017, Eurojust contributed to counter-terrorism projects of the European Union Agency for Law Enforcement Cooperation (Europol) and other justice and home affairs partners and furthermore participated in two joint tender procedures with Europol; notes with satisfaction that Eurojust intends to develop a procurement strategy aimed at further reaping the benefits of inter-agency and inter-institutional joint procurement procedures; strongly encourages Eurojust to further develop cooperation projects with the other institutions, bodies, offices and agencies of the Union, in the field of justice and home affairs;
8. Recalls the importance and the added value of Eurojust in the fight against organised crime across Europe and, in particular, its role in funding Joint Investigation Teams ('JITs'); welcomes, in that regard, the recent conclusion of a new memorandum of understanding between Eurojust and Europol<sup>1</sup> laying down criteria and conditions for the financial support to JITs activities provided by both of them;

### ***Staff policy***

9. Notes that, on 31 December 2017, the establishment plan was 97,2 % executed, with 202 temporary agents, appointed out of 208 temporary agents authorised under the Union budget (compared with 203 authorised posts in 2016); notes that in addition, 21 contract agents and 17 seconded national experts worked for Eurojust in 2017;
10. Notes with satisfaction that Eurojust has adopted a policy on preventing harassment and organised trainings and enabled confidential counselling;
11. Welcomes the Court's suggestion that Eurojust publish vacancy notices on the website of the European Personnel Selection Office in order to increase publicity; understands Eurojust's concerns regarding translation costs;
12. Encourages Eurojust to consider adopting a fundamental rights strategy, including a reference to fundamental rights in a code of conduct that could define the duties of its staff and training for staff; setting up mechanisms ensuring that any violation of fundamental rights be detected and reported, and that risks of such violations be swiftly brought to the attention of the main bodies of Eurojust; establishing, whenever relevant, the position of a fundamental rights officer, reporting directly to the management board to ensure a certain degree of independence vis-a-vis other staff, in order to ensure that

threats to fundamental rights shall be immediately addressed, and that a constant upgrading of the fundamental rights policy within the organisation; developing a regular dialogue with civil society organisations and relevant international organisations on fundamental rights issues; making compliance with fundamental rights a central component of the terms of reference of the collaboration of the Eurojust concerned with external actors, including in particular members of national administrations with whom it interacts at operational level;

### ***Prevention and management of conflicts of interests and transparency***

13. Acknowledges Eurojust's existing measures and ongoing efforts to secure transparency, prevention and management of conflicts of interest; regrets that the Eurojust's policy is to publish declarations of absence of conflicts of interest rather than declarations of interest for the Administrative Director and the members of the management board; calls for the publication of declarations of interests;
14. Notes that Eurojust adopted its internal rules on whistleblowing on the basis of the Commission's model rules in June 2018; asks Eurojust to provide details on whistleblowing cases in 2017, if any, and on how they were handled; underlines the importance of awareness-raising and training of staff as means of fostering a positive and trusting environment in which whistleblowing is an accepted part of the corporate culture;
15. Regrets that the recommendation issued by the Court in 2010 to reconsider the definition of respective roles and responsibilities between the Administrative Director and the College of Eurojust to avoid overlap of responsibilities resulting from the Founding Decision<sup>1</sup> was still open at the end of 2017; acknowledges that addressing this issue is not under Eurojust's control but was under consideration by the co-legislators in the context of the review of Eurojust's mandate; welcomes the adoption of Regulation (EU) 2018/1727 of the European Parliament and of the Council<sup>2</sup> and expects that these issues are resolved with the new structure and the clarification of roles and responsibilities therein, including the new Executive Board;

### ***Internal Controls***

16. Observes that in 2017, following the recommendation of the Internal Audit Service, Eurojust removed its accounting staff from the Budget, Finance and Procurement Unit to enhance their independence; notes furthermore that the Accounting Officer, as Head of the Accounting Office, is appointed by the College of Eurojust;

### ***Other comments***

17. Acknowledges that Eurojust successfully completed the move to its new premises in June 2017 with no loss of operational capacity and that all necessary financial, security, legal and other practical arrangements were made in a timely manner; notes that

regarding the investments in the new premises planned for 2017, EUR 11 130 000 were committed and EUR 8 790 000 (79 %) had been paid by 31 December 2017; calls on Eurojust to report to the discharge authority on further developments in that regard;
