ANNEX TO THE LEGISLATIVE RESOLUTION

DECLARATION BY THE COMMISSION ON DELEGATED ACTS IN THE DRINKING WATER DIRECTIVE

The Commission regrets the decision of the co-legislators to limit its empowerment to modify the annexes of the revised Drinking Water Directive to Annex III, whereas the Commission had sought an empowerment to modify Annexes I to IV in its original proposal¹.

The Commission specifically regrets that the co-legislators did not agree on an empowerment to amend Annex II, which is particularly necessary in light of the need to update the monitoring requirements set out in Annex II to scientific and technical progress.

DECLARATION BY THE COMMISSION ON THE PROCEDURE OF ADOPTION OF IMPLEMENTING ACTS

The Commission underlines that it is contrary to the letter and to the spirit of Regulation (EU) No 182/2011² to invoke point (b) of the second subparagraph of Article 5(4), without proper justification. Recourse to this provision must respond to a specific need to depart from the rule of principle, which is that the Commission *may* adopt a draft implementing act when no opinion is delivered. Given that it is an exception to the general rule established in Article 5(4), it cannot be simply seen as a "discretionary power" of the Legislator, but must be interpreted in a restrictive manner and thus must be justified.
