The secretariat and infrastructure for the Intergroup is primarily provided by the S&D Group of the European Parliament, in agreement with the Bureau of the Intergroup. For intergroups, this declaration must be submitted at the time of establishment, as well as annually in accordance with the timetable set by the Quaestor responsible, even if no support has been received or if there are no changes to report. For unofficial groupings, this declaration must be submitted by the end of the month following that in which support is first received. For both intergroups and unofficial groupings, the declaration should also be updated whenever a change occurs to the support received. The declaration is made under the responsibility of the signing chair/co-chair/vice-chair, and also engages the responsibility of the intergroup/unofficial grouping. It will be published online on the European Parliament's website.
