Article 42 a (new)

Article 42a

Impact assessment

The Commission shall, within two years of the entry into force of this Regulation, undertake an impact assessment of the implementation of this Regulation and of local consular cooperation agreements between Member States concerning visa procedures. Particular attention shall be paid to the special needs of passenger ferry companies and tourist companies performing and delivering services in the border regions of the Schengen area, the issues of biometrics and provisions aimed at facilitating and simplifying the visa procedure. Following that impact assessment, the Commission shall, if necessary, propose amendments to this Regulation.

Article 42 c (new)

Article 42c

Frequent travellers

If the applicant has fully complied with the visa conditions during three consecutive visa periods in the Member States within a five year period (positive visa history), and if the applicant applies for a visa within five years from the expiry of the last of the three required visas, the applicant will be entitled to benefit from a simplified procedure.

The simplification of the procedure may

include the granting of a multiple-entry visa with a longer validity, no interview, fewer supporting documents and parts of the visa application procedure should be made possible through internet.

This simplified procedure shall be further outlined in the Instructions on the practical application of the Visa Code referred to in Article 45.
