(presented by the Commission)

Proposal for a

DIRECTIVE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL

amending

Directive 2002/87/EC relating to the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate as regards the implementing powers conferred on the Commission

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 47(2) thereof,

Having regard to the proposal from the Commission¹,

Having regard to the opinion of the European Economic and Social Committee²,

Having regard to the opinion of the European Central Bank,

Acting in accordance with the procedure laid down in Article 251 of the Treaty,

Whereas:

- (1) Directive 2002/87/EC of the European Parliament and of the Council of 16 December 2002 on the supplementary supervision of credit institutions, insurance undertakings and investment firms in a financial conglomerate and amending Council directives 73/239/EEC, 79/267/EEC, 92/49/EEC, 92/96/EEC and 93/22/EEC, and Directives 98/78/EC and 2000/12/EC of the European Parliament and of the Council³ provides that certain measures are to be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission⁴.
- (2) Decision 1999/468/EC has been amended by Decision 2006/512/EC which introduced a regulatory procedure with scrutiny to be used for the adoption of implementing measures of general scope which seek to amend non-essential elements of a basic instrument adopted in accordance with the procedure referred to in Article 251 of the Treaty, including by deleting some of those elements or by supplementing the instrument by the addition of new non-essential elements.

³ OJ L 35, 11.2.2003, p.1. Directive as amended by Directive 2005/1/EC (OJ L 79, 24. 3. 2005, p.9).

⁴ OJ L184, 17.7.1999, p.23. Decision as amended by Decision 2006/512/EC (OJ L 200 , 22.7.2006, p.11).

- (3) In accordance with the joint statement of the European Parliament, the Council and the Commission⁵ on Decision 2006/512/EC, instruments which are already in force must be adjusted in accordance with the applicable procedures. That statement indicates a list of instruments which should be adjusted as a matter of urgency, including Directive 2002/87/EC.
- (4) In particular power should be conferred on the Commission to adopt measures in order to clarify the technical aspects of some of the definitions provided for in Directive 2002/87/EC, notably in order to allow the taking into account of developments in financial market and on prudential techniques and to ensure uniform application of that Directive within the Community. Since those measures are of general scope and are designed to supplement Directive 2002/87/EC by the addition of new non-essential elements, they should be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.
- (5) Directive 2002/87/EC provided for a time restriction concerning the implementing powers conferred to the Commission. In their joint statement on Decision 2006/512/EC, the European Parliament, the Council and the Commission have stated that Decision 2006/512/EC provides a horizontal and satisfactory solution to the European Parliament's wish to scrutinise the implementation of instruments adopted under the co-decision procedure and that, accordingly, implementing powers should be conferred on the Commission without time-limit. The European Parliament and Council also declared that they would make sure that the proposals aimed at repealing the provisions in the instruments that provide for a time-limit on the delegation of implementing powers to the Commission are adopted as rapidly as possible. Following the introduction of the regulatory procedure with scrutiny, the provision establishing that time restriction in Directive 2002/87/EC should be deleted.
- (6) Directive 2002/87/EC should therefore be amended accordingly.
- (7) Since the amendments to be made to Directive 2002/87/EC are adjustments of a technical nature which only concern the committee procedure they do not need to be transposed by the Member States. It is therefore not necessary to lay down provisions to that effect.
