EXPLANATORY STATEMENT

The Civil Liberties, Justice and Home Affairs Committee (LIBE) approves conclusion of two, mutually conditional and parallel agreements with Bosnia and Herzegovina on readmission and facilitation of issuance of short-stay visas. The Committee welcomes these agreements, which together with forthcoming Visa Code, implementation of Visa Information System (VIS) and further cooperation in the field of justice and home affairs will extend an area of freedom and security reaching beyond EU.

The Committee believes that in the spirit of joint commitment and ownership, EU and Bosnia and Herzegovina can effectively fight illegal immigration and contribute to the development of democracy, rule of law, human rights and civil society by encouraging easier contact and travel of people between two contracting parties. In this context, the Committee welcomes previous decision by the Bosnia and Herzegovina's authorities to abolish visa requirement for EU citizens and is of the opinion that European Union is still in search of adequate response to that decision.

There is also room for improvement on the side of European Commission to launch an information campaign and to find means and ways to make all the necessary information easily accessible to all travellers in the light of these and other agreements concluded. So far, even Commission's website does not contain any systematic and transparent information on this subject.

It is strongly recommended for the committee monitoring implementation of these agreements as well as to the European Commission itself to identify any asymmetrical barriers preventing from reciprocate procedures becoming obstacles for travellers at the consulates, as well as, at the border crossings. In particular a study must be carried whether partial outsourcing of visa consular services may have an impact on the accessibility and possible undesired increase of visa prices or creating visa-shopping phenomenon.

Finally, the LIBE Committee expects from the European Commission to provide the Parliament with information on the results of the implementation of the agreements.
