

BIOVISION The World Life
Sciences Forum

FROM LIFE SCIENCES TO SCIENCES FOR LIFE

MARCH 24-26, 2013
LYON - FRANCE

BRINGING TOGETHER MULTI-STAKEHOLDER PARTNERS
TO TRANSLATE SCIENTIFIC ADVANCES INTO
ACTIONABLE SOLUTIONS FOR THE BENEFIT OF CITIZENS

BIOVISION SPEAKERS

BIOVISION, the World Life Sciences Forum, brings together international decision makers from the academic, private sector, policy-making and civil society sectors to debate over the impact of the latest scientific advances on society.

FROM LIFE SCIENCES TO SCIENCES FOR LIFE

2013 SPEAKERS*

POLICY MAKERS

- **Geneviève Fioraso** (Minister for Higher Education and Research, France)
- **Marisol Touraine** (Minister of Health and Social Affairs, France)
- **Awa-Marie Coll-Seck** (Health Minister, Senegal)
- **Carlos Gadelha** (Secretary of State, Ministry of Health, Brazil)
- **Grace Naledi Mandisa Pandor** (Minister of Science and Technology, Republic of South Africa)
- **Michele Bachelet** (Former President, Republic of Chile; Executive Director, UN WOMEN)
- **Anne Glover** (Chief Scientific Adviser to the President, European Commission) – Confirmed
- **Paul Rübige** (President STOA, member of European Parliament)
- **Antonio Fernando Correia de Campos** (Vice President, STOA, European Parliament)
- **John Beddington** (Scientific Adviser, United Kingdom Government)
- **Oleg Chestnov** (Assistant Director General, Non Communicable Diseases and Mental Health, WHO, Switzerland)
- **Kris Christen** (Editor and writer, Artificial Retina Project, U.S. Department of Energy)
- **Gerald Dziekan** (Head Safe Surgery, Pulse Oximetry, Care Checklists & AMR Programmes, HO Patient Safety, Switzerland) – Confirmed
- **Carissa F. Etienne** (Assistant Director General, Health Systems and Services, WHO, Switzerland)
- **Keiji Fukuda** (Assistant Director-General, Health Security and Environment, WHO, Switzerland)
- **Jorge Kalil** (Director, Butantan Institute, Brazil)
- **Celso Lafer** (President, FAPESP, Sao Paulo, Brazil)
- **Mauricio Lopes** (General Director, EMBRAPA, Brazil)
- **Carlos Nobre** (SEPED, Ministry of Science and technology, Brazil)
- **Helga Nowotny** (President, European Research Council) - Confirmed
- **Peter Olesen** (Chair, The Danish Research Council, Denmark)
- **Olivier Raynaud** (World Economic Forum)

- **Rajiv Shah** (Administrator, USAID, USA)
- **Tanja Wolf** (Technical officer, Climate change and health, WHO, Switzerland)

CIVIL SOCIETY

- **Edward Abrahams** (President, Personalized Medicine Coalition, Washington, USA) - Confirmed
- **Cary Adams** (Chair, NCD Alliance, Switzerland) - Confirmed
- **Janine Benyus** (Biomimicry Institute, USA)
- **Jean-Pierre Blum** (Information Systems International Institute and Telemedicine European Union, France)
- **Manuel Carballo** (Executive Director, ICMHD, Switzerland)
- **Sushila Chang** (Chair, ILSI Board of Trustees, Singapore University of Technology and Design, Singapore) – Confirmed
- **James Chau** (Journalist, CCTV, People's Republic of China)
- **Clive Cookson** (Science Editor, Financial Times) - Confirmed
- **Nancy Davenport-Ennis** (CEO, National Patient Advocate Foundation, USA) - Confirmed
- **Hansi Dean** (Director, New Alliances, International AIDS Vaccine Initiative, USA) - Confirmed
- **Bill Drayton** (CEO & Founder, Ashoka, USA)
- **Roger-Pol Droit** (Sciences Politiques, Paris)
- **Jean-Pierre Dupuy** (Stanford University, USA)
- **Konstanze Frischen** (Head, Social Business Platform and Ashoka Globalizer Program, USA)
- **Joanna Groves** (CEO, IAPO, UK)
- **Margaret Hamburg** (Commissioner, FDA, USA)
- **Ellen 't Hoen** (Medicine Patent Pool, Switzerland) - Confirmed
- **Robert Hudson** (President, ECPC, Germany)
- **Andrew Jack** (Journalist, Financial Time)
- **Unni Karunakara** (President, MSF International, Switzerland)
- **Hannah Kettler** (Senior Program Officer, Global Health Office of the President, Bill & Melinda Gates Foundation, USA)
- **Raymond C. Kurzweil** (Founder & Chairman, Foundation Kurzweil)
- **Benoît Miribel** (President, Action contre la Faim, France)
- **Carlos Morel** (Oswaldo Cruz Foundation, Brazil)
- **Fatoumata Nafu-Traoré** (Executive Director, The Roll-Back Malaria, Switzerland)
- **Robert Santoro** (President, EsoCe Net ; Chair AMI Family of Communities, Italy)
- **Beverly Schwartz** (Vice President of Global Marketing, Ashoka, USA)
- **Jack Sim** (Founder, World Toilet Organization, Singapore)
- **Marc Van Amerigen** (executive Director, GAIN, Switzerland)
- **Simon Wright** (Head of Health Policy, Save the Children, UK)

ACADEMIA

- **Bruce Beutler** (Nobel Prize in Medicine 2011, University of Texas, USA) – Confirmed
- **John Gurdon** (Nobel Prize in Medicine 2012, University of Cambridge, UK)
- **Jules Hoffman** (Nobel Prize in Medicine 2011, University of Strasbourg, France) – Confirmed
- **Jean Jouzel** (Nobel Prize with IPCC 2007 ; LSCE, CEA, France)
- **Jean-Marie Lehn** (Nobel Prize in Chemistry 1987 ; University Louis Pasteur, France)
- **Richard Roberts** (Nobel Prize in Medicine 1993, UK)

- **Shinya Yamanaka** (Nobel Prize in Medicine 2012, University of Kyoto, Japan)
- **Paul Allen** (Founder, Allen Institute for Brain Science, Seattle, USA)
- **Charles Auffray** (EISBM Founding Director) – Confirmed
- **Brigitte Autran** (University Pierre et Marie Curie, France)
- **René Bally** (Director, Research and Training Program, IRD, France)
- **Tim Benton** (University of Cambridge, UK)
- **Aviv Bergman** (Albert Einstein College of Medicine, New York, USA) - Confirmed
- **Inger Björck** (Applied Nutrition and Food chemistry, Lund University, Sweden)
- **David Blake** (The brain and Behavior Discovery Institute, Georgia, USA) – Confirmed
- **Alexander Börve** (Founder iDoc24; Västra Götaland Health Trust, Sweden)
- **Samir Brahmachari** (Secretary, Department of Scientific and Industrial Research, India) – Confirmed
- **Elisabeth Brambilla** (Pierre Bonniot Institute, University of Grenoble, France)
- **Oliver Brüstle** (Director, Institute of Reconstructive Neurobiology, University of Bonn, Germany) – Confirmed
- **Kane Cheikh** (Scientist Coordinator, AMMA Project, France)
- **Larry Chu** (Executive Director, Stanford Medicine X, University of Stanford, USA)
- **Grégoire Courtine** (Director of Laboratory, EPFL, Switzerland) - Confirmed
- **Hannelore Daniel** (Molecular Nutrition Unit, Technische Universität München, Germany) – Confirmed
- **Andréa Dessen**, (Research Director, University of Grenoble, France) - Confirmed
- **Nathalie Delzenne** (Louvain Drug Research Institute, University of Louvain, Belgium) – Confirmed
- **Dusko Ehrlich** (Coordinator MetaHIT project; INRA, Jouy-en-Josas, France)
- **Jill Farrant** (Molecular and Cell Biology Department, University of Cape Town, South Africa)
- **Stephen Friend** (President, Sage Bionetworks, Seattle, USA) - Confirmed
- **Raghavendra Gadagkar** (Centre for Ecological Sciences, Indian Institute of Science, Bangalore, India) - Confirmed
- **Takashi Gojobori** (Director of Centre for Information Biology and DNA Database of Japan) - Confirmed
- **Yi-Ke Guo** (Department of Computing, Imperial College, London, UK) - Confirmed
- **Dirk Haller** (Technical University Munich, Germany) – Confirmed
- **Hans Rudolf Herren** (Director General, International Centre of Insect Physiology and Ecology, Kenya)
- **Liselotte Højgaard** (Chair of The European Medical Research Councils; Strasbourg; Professor, University of Copenhagen, Denmark) – Confirmed
- **François Houllier** (CEO, INRA, France)
- **Alejandro Jadad** (Founder & Chief Innovator, Center for Global eHealth Innovation, University of Toronto, Canada)
- **Anna-Cecile Janssens** (Erasmus Medical Centre, Rotterdam, The Netherlands) – Confirmed
- **Sylvie Joussaume** (LSCE, CEA, France)
- **Bente Klarlund Pedersen** (Director of Centre of Inflammation and Metabolism, University of Copenhagen, Denmark) – Confirmed
- **Steven Laureys** (Head, Coma Science Group, University of Liège, Belgium)
- **Martine Laville** (President, CENS, Lyon, France) – Confirmed
- **Bruno Lina** (Director, Centre national de référence sur la grippe, France) - Confirmed
- **Pierre-Marie Lledo** (Pasteur Institute, France) – Confirmed
- **Marja Makarow** (Vice President for Research, Academy of Finland)
- **Johan Neyts** (University of Leuven, Belgium)
- **Dasgupta Partha** (Faculty of Economics and politics, University of Cambridge, UK)
- **Marc Peschanski** (Scientific Coordinator, I-Stem, France) - Confirmed
- **Taina Pihlajaniemi** (Chairman of Medical Biochemistry and Molecular Biology Collagen

- Research Unit, Oulu University, Finland)
- **Thierry Pineau** (INRA, France)
- **Peter Piot** (Director, London School of Hygiene and Tropical Medicine, UK) - Confirmed
- **Michael Posner** (University of Oregon, USA) - Confirmed
- **Barbara Prainsack** (Brunel University, UK) – Confirmed
- **Venkatraman Ramakrishnan** (Nobel Prize Chemistry 2009, University of Cambridge, UK)
- **Ingmar Riedel-Kruse** (Stanford University, USA) – Confirmed
- **Jeremy Rifkin** (University of Pennsylvania, Founder and President The Foundation on Economic Trends, USA)
- **Till Roenneberg** (Institute of Medical Psychology, University of Munich, Germany)
- **Nuria Sebastian-Galles** (Barcelona University, Spain) - Confirmed
- **Angela Sirigu** (Institut des Neurosciences Cognitives, University of Lyon, France) - Confirmed
- **Bento Soares** (Northwestern University, Chicago, USA) - Confirmed
- **Noam Sobel** (Weizmann Institute of Science, Israel) - Confirmed
- **François Taddéi** (Inserm, Hôpital Necker, France) - Confirmed
- **Guy Theraulaz** (University of Toulouse, France) - Confirmed
- **Stefan Thurner** (Medical University of Vienna, Austria) – Confirmed
- **Brigitte Trousse** (President, France Living Lab)
- **Sridhar Venkatapuram** (London School of Hygiene & Tropical Medicine, UK) – Confirmed
- **Swarna Vepa** (Madras School of Economics)
- **Peter Waterhouse** (School of Molecular Bioscience, University of Sidney, Australia)
- **Christopher Wild** (IARC, WHO, France) – Confirmed
- **Mayana Zatz** (Human Genome Research Center, University of Sao Paulo, Brazil)
- **Alexander Zehnder** (Scientific Director, Alberta Water Research Institute, Canada)

PRIVATE SECTOR

- **Alain Mérieux** (Chairman, Mérieux Institut, France) – Confirmed
- **Feike Sijbesma** (CEO, Royal DSM, The Netherlands) – Confirmed
- **Chris Viehbacher** (CEO, Sanofi, France) - Confirmed
- **Philippe Archinard** (President, Lyonbiopôle) - Confirmed
- **Christian Béchon** (CEO, LFB)
- **Oliver Charmeil** (Senior Vice President, Vaccines, Sanofi)
- **André Choulika** (President, France Biotech and CEO of Collectis)
- **Robert Chue** (IMS)
- **Claude Jolly** (Director, Electrode Development and R&D, MedEI, Austria)
- **Rob van Leen** (Chief Innovation Officer, DSM Innovation Center, The Netherlands) - Confirmed
- **Dr. Paul Stoffels** (Global Head, R&D, Janssen, Pharmaceutical Companies of Johnson & Johnson)
- **Stephan Tanda** (Chairman, Europabio)
- **Marcel Wubbolts** (Chief Technology Officer, Royal DSM, The Netherlands) - Confirmed
- **Elias Zerhouni** (President, Global R&D, Sanofi)

+ MANY INVITED COMPANIES INCLUDING:
