**Petition No 1286/2020 by María Díaz Amboage (Spanish) on the harsh living conditions in the Moria refugee camp in Lesbos, Greece**

The petitioner draws the attention to the critical situation of the refugees in the Moria camp in Lesbos, Greece, described as a place of disease and violence, where people in vulnerable situations (unaccompanied minors, victims of torture and sexual violence etc.) are at risk. She calls on the European Parliament to take urgent action to improve the situation in Lesbos.
