Dear Mr. MEP Tomáš Zdechovský,

In the light of friendship and diplomatic ties, I hereby welcome you in Egypt to hold fruitful discussions whether on bilateral issues of cooperation between the Egyptian Parliament and the European Parliament, as well as in the light of friendship relations with the Czech Republic, or regarding regional and international issues.

I look forward to receiving you in Cairo to meet with the Egyptian officials from the Egyptian Parliament, Ministry of Foreign Affairs and others, to further discuss diplomatic cooperation and means to strengthen future parliamentary relations.

I avail myself of this opportunity to renew to you the assurances of my highest consideration.

The discussions will take place between the 8th and the 12th March 2023.

Sincerely yours,
