Paris, Monday 15<sup>th</sup> May 2017,

**Ms Julie Ward**  
Member of the European Parliament  
60, rue Wiertz / Wiertzstraat 60  
B-1047 Bruxelles/Brussel

Dear Ms Julie Ward,

I am honored to invite you to the international mobilizations for the "Dignity for Lety!" campaign, which EGAM will hold in Lety on Saturday 24th June.

As you know, a pig farm is currently standing on the site of the former concentration camp, mainly for Roma people, located in Lety. For years, EGAM has been leading an international grassroots and advocacy campaign to obtain the removal of this pig farm, the establishment of a proper memorial on the site, and research into the history of the place and the victims.

It will be a privilege to have you attending the event in regards to your constant work on peace-building and reconciliation actions ; your permanent involvement with issues of the minorities, particularly including the Roma ; and, your active membership of our Elie Wiesel Network of Parliamentarians of Europe involved to prevent genocide and mass atrocities and to fight against genocide denial.

Thanks to a unique mobilization involving thousands of MPs, intellectuals, activists, historians, artists...Lety has become an international symbol of the lack of knowledge of the history of the Roma genocide and of the continuation of the contempt against the Roma people, but also one of solidarity and of a fight for dignity. Therefore, hundreds of activists, Roma as well as non-Roma, coming from various European countries, will take part in the dignified commemorations which we will organize in Lety on Saturday 24th June, followed by a cultural evening in Prague where numerous Roma artists will present their talents.

I am available any time for any question or comment at your best convenience.

Best regards,

Benjamin Abtan  
President of EGAM
