

To H.E MEP Elzbieta Rafalska

As the Kingdom of Bahrain continues to work towards strengthening the ties with the European Parliament, the Embassy has the pleasure to invite you to visit the Kingdom of Bahrain between 6-10 November 2021 as part of the delegation of the EP Friends of Bahrain Group.

The Embassy hopes that this visit will provide you with a valuable opportunity to engage with Bahraini authorities on political and security developments - both on a local and regional level, witness Bahrain's economic and social success stories, and experience Bahraini culture first-hand.

Please note that Bahrain will cover travel and accommodation expenses.

With regards,

Brussels, 2nd November 2021
