

II ENCUENTRO REGIONAL DE FORO MADRID
LIMA 2023
DEMOCRACIA, LIBERTAD
Y ESTADO DE DERECHO

Madrid, March 17th 2023

The Honorable
Rob Roos
MEP
ECR Group – European Parliament

Honorable MEP Roos,

Peru is facing a destabilization plan against its democratic institutions, carried out by the São Paulo Forum, the Puebla Group, and their allied governments. This siege calls for a response from the sole organization standing between the downfall of Peruvian institutions and democracy.

During the week of the 26th of March and for that purpose, Foro Madrid will convene in Lima an extensive list of political, social, and economic figures from America and Europe.

On behalf of Foro Madrid, I would like to offer you our warmest invitation to our II Regional Meeting on March 29th and 30th in Lima, Peru. Your participation in the event will be of utmost importance; for it will convey the European Parliament and the ECR Group's commitment with the promotion of democratic principles in less favored nations.

As part of the agenda of the event, we would like to invite you to a series of activities:

- March 28th
 - Meeting with the Congressional Committee for International Relations
 - Meeting with the President of Congress
 - Meeting with the Mayor of Lima
 - Meeting with the President Dina Boluarte (TBC)
- March 29th
 - Participation with fellow MEPs in the 7th panel of the event on how to articulate a democratic alternative to the São Paulo Forum and the Puebla Group on both sides of the Atlantic
- March 30th
 - Signing of the Declaration of Lima

What ultimately happens in Peru will have repercussions throughout the region. If Peruvian democracy falls because of this siege, no nation will be safe. On the contrary, if we can uphold it, it will be an example for the rest of our nations.

We look forward to your participation at our II Regional Meeting.

Should you have any questions regarding the meeting, please do not hesitate to contact me.

Sincerely yours,

Eduardo Cader
