## What lies ahead for young people after Britain departs the EU: insights from the Polish case

An interactive discussion hosted by the LSE European Institute and LSE SU Polish Business society.

An exciting event on the impact of Brexit on Poles and Poland, organised by <u>Generation Brexit</u> at the LSE European Institute and the LSE SU Polish Business Society. Some excellent speakers will discuss topics ranging from the outlooks on European integration post-Brexit and the future of Polish-UK relations, to the more specific fallout for young Poles living in Poland, in the UK, and across Europe.

Generation Brexit is offering a platform for Poles and Polish speakers across the UK and Europe to come and debate the impact of Brexit on Poland more generally, and upon their own futures (*Polski punkt widzenia*: <a href="https://generationbrexit.org/category/19075">https://generationbrexit.org/category/19075</a>)

Arrival: 16:00 (NAB.8.04)

Start time of the event: 16:30

End time of the event: 18:00

Location: New Academic Building 1.04, LSE

#### **AGENDA**

Welcome (5 min): Dr Jennifer Jackson-Preece, LSE European Institute

• Keynote (15-20 min): Professor Danuta Huebner, Chair of the Constitutional Affairs Committee in the European Parliament

Panel discussion (30 min):

Dr Roch Dunin-Wąsowicz, Research Officer at Generation Brexit, LSE European Institute
Ms Joanna Hosa, Programme Coordinator, European Council on Foreign Relations
Mr Jakub Krupa, UK Correspondent of the Polish Press Agency

 Interactive discussion with the audience (35-40 min): all of the speakers, moderated by Mr Krupa

Global CCP Oversight in a Changing Landscape

King George
FIA has updated its policies in response to new global privacy rules.

As part of an ongoing effort to ensure robust and stable oversight of clearinghouses,

policymakers in Europe are considering the best approach for the regulation of these critically important infrastructures across international borders. This session will provide a forum to debate the best way to manage those risks and the future of equivalence.
